Hardwood and Laminate Cleaner

- Designed for everyday cleaning and mopping of most indoor floor surfaces.
- It's safe formula contains no solvents or VOC's, and leaves floors clean and streak free.
- Also works great on cabinets and baseboards.
- Ready-to-use formula requires no dilution.

Product	Dilution	Code	Size
Ready-to-Use	RTU	40398	3.78L
Ready-to-Use	RTU	40397	946ml

Directions for use:

3.78L Jug: Remove excess debris from floor by vacuuming or sweeping. Clean or dry pre-existing liquid or stains on floor. Pour product onto floor and spread with a clean cotton, rayon or microfibre mop. For microfibre mopping kits with on-board reservoir, pour product directly into reservoir, then dispense product onto floor while mopping from side to side. No rinsing required. Although it dries quickly, to prevent slips and falls, keep people off of floor until it is dry. Do not use on unsealed or unfinished floors, or recently waxed or oiled floors. Ready to use, do not dilute. Phosphate free.

946ml bottle: Remove excess debris from floor by vacuuming or sweeping. Tighten the trigger sprayer, turn nozzle on trigger to desired position. Spray product onto floor and spread with a clean cotton or microfibre mop. For microfibre mopping kits with on-board reservoir, remove trigger sprayer and pour product directly into reservoir. Dispense product onto floor while mopping from side to side. No rinsing required. Although it dries quickly, to prevent slips and falls keep people off of floor for 10-15 minutes. Do not use on unsealed or unfinished floors, or waxed or oiled floors. Ready to use, do not dilute. Phosphate free.

Handling and Cautions:

Caution: May irritate eyes. Do not get in eyes. First aid treatment: Contains surfactants. If swallowed, call a Poison Control Centre or get medical attention immediately. Do not induce vomiting. If in eyes, rinse with water for at least 15 minutes. If in contact with skin, flush with water. Keep out of reach of children.
