

InstantFOAM™ Alcohol Hand Sanitizer

Ethanol (Alcohol) 70% v/v, Propyl Alcohol 11% v/v

Alcohol Foam Hand Sanitizer NPN 80115684

PRODUCT DESCRIPTION

Highly effective, fragrance free & dye free broad spectrum alcohol based foam hand sanitizer that kills bacteria and is effective against all enveloped viruses and some (norovirus and rotavirus) but not all non-enveloped viruses. Effective against fungi. Approved by Health Canada as meeting the Human-Use Antiseptic Drug requirements for personal use in commercial settings.

WHERE TO USE

Ideal for use in any public facility (e.g. cafeterias, office areas, rest areas, schools, shopping malls, convention centres, airports, train stations, cruise ships) to help reduce the spread of germs.

WHEN TO USE

General hygienic use - use hand disinfectant after coughing, sneezing, contact with body fluids or touching potentially contaminated surfaces.

INSTRUCTIONS FOR USE

- Apply 3 mL of product and rub thoroughly for 30 seconds or until dry.
- Use as needed on clean, dry hands.
- Hand Sanitizers should not be used as a complete substitute for regular handwashing, but as a supplement.

FORMAT: FOAM

FEATURES	BENEFITS
ECOLOGO™ Certified	Product certified to ECOLOGO® UL 2783 Standard for reduced environmental impact which sets metrics for environmental and other criteria, including: materials, packaging, human health, environment, product performance and labeling. View specific attributes evaluated: ul.com/el
Broad spectrum activity	Highly effective formula kills bacteria and is effective against all enveloped viruses and some (norovirus and rotavirus) but not all non-enveloped viruses. Effective against fungi.
Instant foam action	Dispensed as a foam, the product rapidly and easily rubs across hands, providing the user with complete control of the product, preventing the dripping and splashing associated with using liquid alcohol sanitizers.
Does not contain gelling agents	Unlike alcohol gel sanitizers, the product does not contain gelling agents that leave the hands feeling sticky, particularly after multiple use.
Pleasant to use	The rich foam is extremely pleasant for frequent use in between hand washing, encouraging maximum compliance.
Perfume-Free and Dye-Free	Designed for people who are sensitive to perfumes and dyes and who prefer products which do not have these added.
Contains skin moisturiser	Helps prevent drying and leaves the skin feeling smooth after use.
Skin Hypoallergenic	Dermatologist tested to verify and confirm this product has very low allergenic potential.
No mess	Does not clog pumps or splash and drip on surrounding floor and wall surfaces as associated with liquid and gel sanitizers.
No water required	Dries on hands without the need for rinsing with water. Ideal for use outside the washroom at the point of need.
Convenient	Available in a range of sizes for use in different workplace and public environments.
Glove compatible	Suitable for use with latex and nitrile gloves.

STATUTORY REGULATIONS

This product is compliant with the Natural Health Product regulations of the Canadian Food & Drug Act of Health Canada.

SC Johnson Professional® natural health products are produced and tested to ensure they meet the quality requirements for natural health products.

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to our Safety Data Sheet which can be downloaded from www.scjp.com/en-ca/safety-data-sheets

HANDLING INSTRUCTIONS

Use biocides safely. Always read the product instructions before use. Please refer to the label or SDS for safety information.

SHELF LIFE

This product has a shelf life of 48 months from the date of manufacture when stored unopened at room temperature.

CERTIFICATIONS

UL Ecologo

This product is certified to meet EcoLogo UL 2783 Standard for Instant Hand Antiseptic Products. EcoLogo certifications are voluntary, multiattribute, life cycle based environmental certifications that indicate a product has undergone scientific testing, auditing, or both, to confirm its compliance with such standard. EcoLogo UL 2783 Standard sets criteria for product formulation and manufacturing, and human health & environment toxicity. For more information and to view the specific standard, visit UL.com/EL.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow appropriate quality assurance practices, including with respect to quality control processes for raw materials and finished goods, and comply with any regulatory requirements applicable to the manufacturing of such products.

COMPATIBILITY TESTING

Glove Compatibility

In independent testing, the use of InstantFOAM™ hand sanitizer in combination with reputable latex and nitrile gloves does not have any deleterious effect on the glove tensile properties using BS EN 455-2:2009 test methodology.

PRODUCT SAFETY ASSURANCE

Product Safety Assessment

The product has been assessed by an independent toxicologist and is declared safe for intended use on the hands and wrists of adults and children aged 3 years and above, meeting all relevant regulatory requirements.

Skin Hypoallergenic

The perfume-free and dye-free formulation did not demonstrate a potential for eliciting dermal sensitization after conducting an independent 6 week Human Repeat Insult Patch Test (HRIPT).

Allergy sufferers should always refer to the ingredient list before using the product.
