Reduces splash and cleaning time

Long posts on both sides plus a unique hexagon lattice eliminate urine splash, cutting cleaning time.

Medical grade fragrance free

Ideal for restrooms, schools, hospitality, food service, health care and industrial use. Perfect for those with high sensitivity to fragrance.

Odour elimination technology

Releases optimized bacteria over 30 days to keep the urinal and restroom smelling fresh without the fragrance.

Installs correctly every time

Unique design eliminates installation error and installs both ways without sacrificing splash reducing performance.

Meets the "Purchase of Sustainable Cleaning Products and Materials" criteria under the LEED point management system.
