# PATRIOT 1

## GLASS & MIRROR CLEANER

### DESCRIPTION

A new glass, mirror and chrome cleaner designed to clean and shine surfaces without streaking. Contains selected detergents, degreasing agents and drying agents to work on most soils. Cuts down on fogging and dust attraction.

### FAVORABLE FEATURES

Removes build-up on glass and other polished surfaces. No streaking. No smearing. Can be used for both industrial and commercial applications such as schools, retail stores, hospitals and nursing homes.

### DIRECTIONS

Patriot™ 1 Concentrate must be diluted with unheated tap water using a dilution of 1:35 before use. Fill a trigger sprayer with diluted product, and then spray a fine mist on surface to be cleaned. Wipe with a clean cloth or soft paper towel.

**PA01JU2:** Connect spout to dilution control system. Patriot™ 1 Concentrate must be diluted with unheated tap water using a dilution of 1:35 before use. Fill a trigger sprayer with diluted product. Spray a fine mist on surface to be cleaned. Wipe with a clean cloth or soft paper towel.  
**Note:** This container is designed to be used through a Patriot™ dispensing system.
