Patriot 20 is a low odour, ready to use industrial strength, paint, varnish and graffiti remover. This product is safe for people and the environment and it works more effectively. Patriot 20 is a 100% active formula without harsh solvents, acids or caustics. Patriot 20 is safe, ready to use, requires no dilution, works quickly on most surfaces. Use it on terrazzo, concrete, brick, wood, glass, tile, grout, aluminum, fiberglass, stainless steel and plastic.

PATRIOT 20

PAINT AND GRAFFITI REMOVER

DESCRIPTION

A 100% active industrial strength paint, varnish and graffiti remover formulated without harsh solvents, acids or caustics.

FAVOURABLE FEATURES:

Safe, ready to use, requires no dilution, works quickly on most surfaces.

APPLICATIONS:

Removes most latex and enamel paint, aerosol paint, acrylic paint, urethanes, sealers, primers, varnish, glue, inks, markers, highlighters and heel marks. Safe on terrazzo, concrete, brick, wood, glass, tile, grout, aluminum, stainless steel, fiberglass and most plastics.

DIRECTIONS

Always pretest on an inconspicuous area if there is a concern for colour fastness. Apply with a trigger sprayer or brush. Agitate with brush to loosen dried paint. Let stand for 1-20 minutes depending on soil severity.

Water rinse concrete and brick surfaces. Apply second or third time as necessary. Residual oily film can be cleaned with a regular cleaner.

ENVIRO FEATURES:

Contains methyl soyate, a biobased, readily biodegradable, renewable, low toxicity material derived from soy beans. Low odour. Contains no alkyl phenol ethoxylates, formaldehyde, butyl, EDTA, phosphorous, ammonia or aromatic solvents. Meets Environmental Choice program UL 2767 criteria for Paint and Varnish Remover. 100% recyclable packaging.

USER TYPES

Commercial and industrial properties, schools/ colleges/universities, supermarkets/retail stores, cleaning contractors, hospitals and nursing homes.

TOOLS AND EQUIPMENT

- Mop and bucket, clean microfibre cloth, sponge or scrub brush
- Autoscrubber
