PATRIOT™

H₂O₂ Concentrate Cleaner/ Disinfectant/ Destainer

- Kills 99.99 % of Bacteria/ Fungi/ Viruses
- Does not contain chlorine bleach
- Disinfects and removes tough stains

DIN 02485842

Patriot 30 is a general purpose cleaner with the added benefit of hydrogen peroxide to remove stains and increase cleaning performance.

This multi-use product works great on grout, floors, walls, equipment, countertops, appliances, and all other types of water washable surfaces that need to be cleaned and degreased. It also works great as a carpet pre-spray or destainer.

PATRIOT 30

CLEANER & STAIN REMOVER WITH HYDROGEN PEROXIDE

DIRECTIONS

To clean and disinfect hard non porous surfaces: Dilute product 77mL to 1 litre of potable water (1: 12 ratio). Spray- or apply with clean cloth or sponge onto surface. Allow surface to remain wet for 10 minutes. Rinse or wipe clean. For heavily soiled surfaces, a preclean is required.

For use on hard surfaces that may come into contact with children at the mouthing stage of development such as daycare centres and schools, a potable water rinse is recommended. When used in food processing and preparation areas (such as counters, eating and drinking utensils, food processing equipment. Avoid the contamination of food during application of this product. Rinse with potable water before use.

When used on non-critical devices in a healthcare setting (such as stethoscopes, hospital beds, and wheel chairs): This product is not to be used as a sterilant/ high level disinfectant on any surface or instrument that(1) is introduced directly into the human body, either into or in contact with the blood stream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which do not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high-level disinfection.

GENERAL CLEANING: Heavy duty 77 mL of product per Litre of water (1:12) dilution for bathroom surfaces, kitchen cooking surfaces, food grease and heavy soils, spot cleaner for carpets, tiles and grout also for use on cutting boards and cutting blocks. Medium duty 26 mL to 1 Litre of water (1: 38) dilution as a multipurpose cleaner. Light duty cleaner 7.8 mL per Litre of water (1:127) dilution for cleaning stainless steel, general floor mopping and auto-scrubbing.

DISPOSAL

Rinse the emptied container thoroughly. Make the empty container unsuitable for further use. Dispose of the container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the Manufacturer.

IMPROPER USE OR DILUTION

IMPROPER USE: May irritate eyes, skin and gastrointestinal tract and may increase the risk of health effects. Avoid eye and skin contact.

IMPROPER DILUTION: Under dilution may affect product performance. Over dilution may leave a residue. May increase the risk of health effects.

Patriot 30 is a commercial and industrial product manufactured by Parkside Professional Products Ltd. Read SDS and label instructions before using product.

PHYSICAL PROPERTIES

Physical State	liquid
Viscosity	water thin
Appearance	clear yellow
Odour	mild citrus
pH	less than 11.5
Specific Gravity	0.98-1.00
Flash Point	non-flammable

QUANTITY AND UNIT SIZE:

4 x 4 Litres/cs PA30J
2 x 3.78 Litres/cs PA30JU2
