UL 2759

A concentrated neutral cleaner ideal for floors, walls, counter tops, equipment and other hard surfaces. It's rinse-free formula leaves surfaces clean and streak free.

Excellent all-round cleaner for use in a mop bucket or an automatic scrubber. It is ideal for use on vehicles and painted surfaces. Contains no VOC's and has a mild lemon fragrance. It is also phosphate free, NP free, non-flammable, butyl-free, and will not negatively affect indoor air quality.

PATRIOT 3

NEUTRAL CLEANER

DESCRIPTION

A neutral cleaner design to clean most water washable floor and wall surfaces. Use with an automatic scrubber, a wet mop with a bucket and wringer or a microfibre mopping system.

FAVOURABLE FEATURES

Will not dull waxed floors. Has a safe, neutral pH and is great for light duty cleaning of floors and walls. Made with 100% recyclable packaging and certified by EcoLogo™ under criteria CCD-146 for hard surface cleaners. It can be used in both commercial and industrial properties such as schools, retail stores, hospitals and nursing homes.

DIRECTIONS

For general purpose cleaning of floors and painted surfaces dilute with unheated tap water at a dilution of 1:180. Use through an auto scrubber or damp mop with a bucket and wringer.

PA03JU2: Connect spout to dilution control system. Dilute Patriot™ 3 with unheated tap water at a dilution of 1:180 into a mop bucket, trigger sprayer or automatic scrubber.

Note: This container is designed to be used through a Patriot™ dispensing system.

ENVIRO FEATURES

Phosphate free, NP free, non-flammable, butyl-free, no alkali, will not negatively affect indoor air quality. Environmental Choice (EcoLogo) certified under criteria UL 2759. 100% recyclable packaging.

SUBSTRATES

Use on all water washable surfaces, including resilient or non resilient flooring, properly sealed wooden floors, painted surfaces, rubber, arborite, metal and porcelain.

USER TYPES

Commercial and industrial properties, schools/ colleges/universities, supermarkets/retail stores, cleaning contractors, hospitals and nursing homes.

TOOLS AND EQUIPMENT

- Mop and bucket, clean microfibre cloth or sponge
