

Pearl 405

NEUTRAL CLEANER

- A true neutral cleaner that will not dull the shine on high gloss polished floors.
- Removes dirt without leaving mop streaks.
- Removes alkaline build-up left from other cleaners, while enhancing the appearance of the finish.
- A non-splashing, non-soap product with a no colour to transfer to sensitive stone floors and no fragrance for perfume sensitive users.
- Contains ingredients to reduce the loss of shine.

PEARL 405

DESCRIPTION

Pearl 405 is a neutral cleaner formulated to provide high performance cleaning at a safe neutral pH. The unique surfactant system creates excellent penetrating and emulsifying action, forcing dirt and grease to the surface for effective removal. It is safe for use on waxed floors and will never dull high polish finishes or strip wax polymers. Pearl 405 is an excellent housekeeping product and can be used on all washable surfaces including floors, glass, painted surfaces, appliances, cars, trucks, vinyl, pots, pans and machinery.

FEATURES

Won't dull finish. No streaking. Ideal for use in automatic scrubbers.

DIRECTIONS

For general purpose cleaning, floors, painted surfaces, dilute 50:1 to 80:1 with water depending on soil conditions. Mop onto floor or apply with an auto scrubber. For use through an auto scrubber, scrub with a red floor pad.

FOR INDUSTRIAL AND INSTITUTIONAL USE.

APPLICATIONS

For resilient, terrazzo floors, etc. Excellent for removing alkaline build-up left from other cleaners while enhancing the appearance of finish.

ENVIRO FEATURES

Pearl 405 meets environmental choice requirements. It is butyl and phosphate-free, no alkalis, non-corrosive, no V.O.C.'s, nonyl-phenol free.
