

Professional Multi-Surface Sanitizer & Disinfectant

A one-step disinfectant and cleaner that dissipates quickly leaving no streaks or sticky residue. The multisurface formulation is a revolutionary formulation designed to accelerate the germ killing power of alcohol, without the use of harsh chemicals. It is effective on 99.9% of germs, including Norovirus, E. coli, Salmonella, Cold & Flu, MRSA, and VRE viruses that can spread rapidly.

- Formulated for food-contact surfaces — no rinse required
- No health hazard warning statements required
- No handwashing, gloves or safety glasses required
- No harsh fumes

DIRECTIONS FOR USE: Fill a trigger sprayer with product, then spray a fine mist on surface to be cleaned. Wipe with a clean cloth or soft paper towel.

CAUTION: Avoid contact with eyes and skin. In case of contact, flush immediately with water. If irritation develops, get medical attention.

This container is to be used with Purell Multi-Surface only. See original label for full use directions and cautions. Avoid contamination of food. Keep out of reach of children. Keep from freezing.

DO NOT REUSE BOTTLE • Recycle where facilities exist
